Measures.

- All co-workers have been briefed and are up-to-date with the actual requirements. These briefings are being conducted regularly and are updated as new situations arise. All working personnel wears a protective mask when working in any open areas or meeting rooms.

- We ensure cleanliness and disinfection by using the best sanitizing products and extensively training our staff.

- We use high end cleaning gear as for example professional laundry machines and dishwasher that enable an higher safety standards.

- There is a detailed hygiene checklist in place which focuses on complying with the official government guidelines and is regularly gone through, checked and kept up to date.

Measures.

- We have equipped all entrances and exits with desinfectant dispensers as well as in our restaurant, meeting rooms, and rest rooms.

- There are ventilation routines in place. Meeting rooms are ventilated before the meeting, during the break, and after the event.

- Our seat plans in the meeting rooms are designed to comply with a minimum personal distance of 1,50m.

- We put special attention to sanitize all the physical touchpoints of the guests such as collective spaces in our meeting rooms, the door handles, hand railings Elevator buttons etc.
