This article's supply chain does not meet the requirements for a MADE IN GREEN by OEKO-TEX® label on 2023-02-04:

- If articles with colors other than untreated are defined, at least one STeP certified 'Pretreatment, dyeing, printing, finishing, coating, washing etc.' process is expected. Your supply chain may be incomplete.
- An article with classification 'End-user, ready made goods' has been defined. However, there is no STeP certified supplier providing 'Making up of Products'. The supply chain may be incomplete.
- At least one supplier has to be STeP certified.

This could mean that some requests in your supply chain need to be renewed.

You can use the "Show Supply Chain" option to view the current supply chain, including all the pending requests. Please note, only confirmed supplier data can be displayed on www.madeingreen.com and after the label has been fixated no future changes are possible. Therefore all data must be correct and confirmed, otherwise the supply chain of the label will be not displayed correctly.

You may generate label renewal.
